Dr. Tiegerman  
The School for Language & Communication Development  
100 Glen Cove Avenue  
Glen Cove, NY 11542

Dear Dr. Tiegerman,

I just wanted to take the time to share with you my son's story. Fifteen years ago my son's journey began at SLCD in Bellmore as a youngster with speech delays. Your staff was wonderful, supportive, and compassionate to my family at this emotional time. SLCD built the foundation and he continued in public school with his classification. Next month my son, Steven Gromling, is graduating from Oceanside High School with his regent's diploma. He will be attending Adelphi University in the fall. If all goes well (NCAA qualification test) he will be joining their Men's Swim Team. Additionally, Steven is the type of young man that enjoys getting involved in athletic and community activities. Last year he received his Eagle Scout Award and has participated in a number of high school varsity sports and is a mentor to freshman students.

Thank you and your staff for setting us on the right path for allowing Steven to reach his potential. I know he is my son, but he truly has grown to be a remarkable kind young man and role model.

Again, thank you.

Sincerely,

  
Caroline Gromling
