

**Understanding the Needs of Children with Autism Spectrum Disorders**  
**NYSED 3-Hour Mandated Course**

The School for Language and Communication Development has been approved by NYSED as a provider for the mandated training course in the needs of children with autism.

**Who needs the Workshop:** All general and special education teachers, teachers of speech and language disabilities, teachers of the deaf and hard of hearing, teachers of the blind and visually impaired, and school administrators and supervisors who are applying for a certificate through SED's TEACH system on or after September 2, 2009.

***\* Special education teachers that received permanent or professional certification in special education or Students with Disabilities before September 2, 2009, are not required to have the training \****

**What does the workshop entail:** This workshop includes:

- An overview of autism spectrum disorders
- Etiological findings and current statistics regarding the prevalence of ASD
- The social, language, and cognitive characteristics of children with ASD
- Evidenced based instructional methods/interventions utilized within the clinical field.
- Behavior management and positive behavioral support.
- Data collection methods
- Effective collaborative strategies which can be utilized to support and to provide resources to students and families
- Vocational rehabilitation services, associations, advocacy groups and the *Autism Program Quality Indicators*.
- Parent training programs
- RTI and Inclusion

**When will the Workshop be held:**

Sunday, March 21, 2010 9:30 am to 12:30 pm Glen Cove  
Sunday, April 11, 2010 9:30 am to 12:30 pm Glen Cove
